NOTICES OF MOTIONS

1. *Mr. Sutton*—Resolution—That in view of mounting world competition and its effects on industry, particularly secondary industry, with its incidence of unemployment **BE IT RESOLVED** that while trade and commerce are within the competence of the Federal Parliament every effort be made in every sector of the provincial economy to co-operate with federal departments and business generally to market our goods at home and abroad, and that this House urges that the initiative be taken by business, industry and labour and as well all levels of provincial government within the area that they can constitutionally operate to further and increase employment and job opportunities in Ontario.
2. *Mr. Thomas*—Resolution—That this Legislature recommends that the Government give consideration to the establishment of a Consumers' Bureau that will co-operate with existing consumer organizations and research agencies; provide field and information services to assist in the development of consumer organizations; conduct research into and publish independent expert information on the quality of products placed

on the market in Ontario; have authority to investigate advertising practices and, where necessary, prohibit fraudulent and misleading advertising; exert constant pressure for the enforcement of federal laws governing food and drugs; and, conduct continuing research into price spreads and recommend appropriate action to reduce unreasonable spreads.

3. *Mr. Gisborn*—Resolution—That in the opinion of this House consideration should be given to the establishment of a Sickness and Accident Benefit Plan, covering all wage and salary earners and such self-employed people as apply for coverage, to provide for loss of income in cases where an income earner is unable to work due to sickness or accident not covered by Workmen's Compensation.
